BUSHMASTER MODULAR CARBINES

The B.M.A.S. Modular Carbine incorporates a number of our popular Bushmaster Modular Accessories into a unique, lightweight, feature packed carbine that will stand out at any range.

16" Bbl. Modular Carbine with Skeleton Stock (Part # BCWVML 16FMC)

16" Bbl. Modular Carbine with Telestock (Part # BCWVMF 16FMC)

Features popular Bushmaster Modular Accessories such as:

- B.M.A.S. Four Rail Tubular Forend which free-floats the Barrel from the Barrel Nut forward to avoid any possibility of barrel deflection or accuracy degradation.
- Molded Rubber Sure-Grip Rail Covers snap over the Rail Sections on the Handguard to add ergonomic comfort and rail protection.
- The rear sight is a detachable Dual Aperture B.M.A.S. Rear Flip-up unit with windage calibrated to 1/2 M.o.A.

- The front sight is our B.M.A.S. Clamp-on designed to fit directly over the Milled Front Gas Block. It folds down with the touch of a button to allow scope use, and incorporates an elevation adjustable M16A2 front sight post.
- The Ergonomic Pistol Grip is an ambidextrous design, molded of urethane with a stipple finish to provide a solid non-slip grip and firm control.
- The 5.56 mm/.223 Rem. Chrome-lined 16" ChromeMoly Vanadium Steel Barrel is Fluted for lighter weight and enhanced cooling capabilities, and includes the A2 "Birdcage" Flash Suppressor.
- The Modular Carbine is available with either a lightweight Skeleton Stock or a 6 Position Telestock
- Shipped in a Lockable, Hard Plastic Case with Operator's Safety Manual, 30 Round Magazine, Orange Safety Block and Black Web Sling
- One Year Bushmaster Warranty
