

Bushmaster Tech Sheet

BUSHMASTER PREDATOR RIFLE

This Bushmaster Rifle was built with specialized features for the predator hunter. Its accuracy, barrel twist and hitting power are designed for those hunters who call in the coyotes, bobcats and other larger predators.

Bushmaster Predator Rifle (Part # PCWVMS 20FPRED8)

THE BUSHMASTER PREDATOR RIFLE

Feature	Specification [Metric in brackets]
Caliber	5.56mm or .223 Rem.
Operation	Gas Operated / Semi-Automatic

Barrel Length	20" [50.8 cm]
Rifling	1 turn in 8" [20.32 cm] R.H. Twist / 6 lands & grooves
Weight w/o Magazine	8.0 lbs. [3.63 kg]

The Predator - built as a result of numerous requests by the hunters who wanted a slightly shorter barrel and lighter swing weight in a carry rifle for predator hunting/calling, this 20" barreled version of the popular Varminter will deliver all the accuracy you've come to expect from a Bushmaster. The 20" Barrel is fluted 4150 Chromoly Vanadium Steel (not chrome lined) with sharp 1 x 8" twist rifling for the heavier bullets typically used on bigger varmints and predators.

- Designed around our DCM Competition Barrel, in a 20" Fluted, Extra Heavy Profile – machined to SAAMI specification tolerances of 4150 ChromeMoly Vanadium steel. Full length fluting reduces weight and increases barrel cooling. Barrel is a full 1" diameter under the Forend, and has an 11° Competition Crowned Muzzle.
- Bushmaster Two Stage Competition Trigger with 3.5 lb. pull 1st stage and 1 lb. let-off (2nd stage)
- A Vented Aluminum Tubular Forend "free-floats" the Barrel from the Receiver forward for optimum accuracy – 12 cooling vents in the Forend increase barrel heat dissipation.
- A Bipod Stud has been installed on the Forend for easy mounting of most bipods or a sling swivel.
- Ambidextrous, Ergonomically Designed Pistol Grip is included with a rubberized, non-slip textured surface.
- Mini-risers are mounted on the "Flat-top" Upper Receiver to raise mounted scopes 1/2" for a correct sight picture and comfortable cheekweld on the stock.
- Shipped in a Hard Plastic, Lockable Storage Case complete with Black Web Sling, Orange Safety Block, 5 Round Magazine, Operating and Safety Instruction Manual.
- One Year Bushmaster Warranty
